## § 1750.3

*Notional amount* means the face value of the underlying financial instrument(s) on which an interest rate or foreign exchange rate contract is based.

*Off-balance sheet obligation* means a binding agreement, contract, or similar arrangement that requires or may require future payment(s) in money or kind by another party to an Enterprise, or that effectively guarantees all or part of such payment(s) to third parties (including commitments), where such agreement or contract is a source of credit risk that is not included on its balance sheet.

- (1) Does not have a maturity date;
- (2) Provides the issuer the ability and the legal right to eliminate dividends and does not permit the accruing or payment of impaired dividends;
- (3) Cannot be redeemed at the option of the holder; and
- (4) Has no other provisions that will require future redemption of the issue, in whole or in part, or that will reset the dividend periodically based, in whole or in part, on the Enterprise's current credit standing, such as auction rate, money market, or remarketable preferred stock, or that may cause the dividend to increase to a level that could create an incentive for the issuer to redeem the instrument, such as exploding rate stock.

*Qualifying collateral* means cash on deposit; securities issued or guaranteed by the central governments of the OECD-based group of countries.<sup>1</sup>

<sup>1</sup>The OECD-based group of countries comprises full members of the Organization for Economic Cooperation and Development (OECD) regardless of entry date, as well as countries that have concluded special lending arrangements with the International Monetary Fund (IMF) associated with the

United States Government agencies, or United States Government-sponsored agencies; and securities issued by multilateral lending institutions or regional development banks.

### § 1750.3 Procedure and timing.

(a) Each Enterprise shall file with the Director a minimum capital report each quarter or at such other times as the Director requires, in his or her sole discretion. The report shall contain the information that responds to all of the items required by OFHEO in written instructions to the Enterprise, including, but not limited to:

(1) Estimate of the minimum capital requirement;

(2) Estimate of core capital coverage or shortfall relative to the estimated minimum capital requirement;

(3) Such other information as may be required by the Director.

(b) The quarterly minimum capital report shall be submitted not later than April 30, July 30, October 30, and January 30 of each year.

(c) Each minimum capital report shall be submitted in writing and in such other format as may be required by the Director.

(d) In the event an Enterprise makes an adjustment to its financial statements for a quarter or a date for which the information was requested, which would cause an adjustment to a minimum capital report, the Enterprise shall file with the Director an amended

IMF's General Arrangements to Borrow, but excludes any country that has rescheduled its external sovereign debt within the previous 5 years. A rescheduling of external sovereign debt generally would include any renegotiation of terms arising from a country's mobility or unwillingness to meet its external debt service obligations, but generally not include any renegotiation to allow the borrower to take advantage of a decline in interest rate or other change in market conditions. As of November 1995, the OECD countries included the following countries: Australia, Austria, Belgium, Canada, Denmark, Finland, France, Germany, Greece, Iceland, Ireland, Italy, Japan, Luxembourg, Mexico, the Netherlands, New Zealand, Norway, Portugal, Spain, Sweden, Switzerland, Turkey, the United Kingdom, and the United States; and Saudi Arabia has concluded special lending arrangements with the IMF associated with the IMF's General Arrangements to Borrow.

#### § 1750.4

minimum capital report not later than 3 business days after the date of such adjustment.

(e) Each minimum capital report or any amended minimum capital report shall contain a declaration by an officer authorized by the board of directors of the Enterprise to make such a declaration, including, but not limited to a president, vice president, or treasurer, that the report is true and correct to the best of such officer's knowledge and belief.

#### **§ 1750.4 Minimum capital requirement computation.**

(a) The minimum capital requirement for each Enterprise shall be computed by adding the following amounts:

(1) 2.50 percent times the aggregate on-balance sheet assets of the Enterprise;

(2) 0.45 percent times the unpaid principal balance of mortgage-backed securities and substantially equivalent instruments that were issued or guaranteed by the Enterprise;

(3) 0.45 percent of 50 percent of the average dollar amount of commitments outstanding each quarter over the preceding four quarters;

(4) 0.45 percent of the outstanding principal amount of bonds with multifamily credit enhancements;

(5) 0.45 percent of the dollar amount of sold portfolio remittances pending;

(6)(i) 3.00 percent of the credit equivalent amount of interest rate contracts and foreign exchange rate contracts, except to the extent of the current market value of posted qualifying collateral, computed in accordance with appendix A to this subpart;

(ii) 1.50 percent of the market value of qualifying collateral posted to secure interest rate and foreign exchange rate contracts, not to exceed the credit equivalent amount of such contracts, computed in accordance with appendix A to this subpart; and

(7) 0.45 percent of the outstanding amount, credit equivalent amount, or other measure determined appropriate by the Director, of other off-balance sheet obligations (excluding commitments, multifamily credit enhancements, sold portfolio remittances pending, and interest rate contracts and foreign exchange rate contracts), ex-

cept as adjusted by the Director to reflect differences in the credit risk of such obligations in relation to mortgage-backed securities.

(b) Any asset or financial obligation that is properly classifiable in more than one of the categories enumerated in paragraphs (a) (1) through (7) of this section shall be classified in the category that yields the highest minimum capital requirement.

(c) As used in this section, the term “preceding four quarters” means the last day of the quarter just ended (or the date for which the minimum capital report is filed, if different), and the three preceding quarter-ends.

#### **§ 1750.5 Notice of capital classification.**

(a) Pursuant to section 1364 of the 1992 Act (12 U.S.C. 4614), OFHEO is required to determine the capital classification of each Enterprise on a not less than quarterly basis.

(b) The determination of the capital classification shall be made following a notice to, and opportunity to respond by, the Enterprise.

(1) Not later than 60 calendar days after the date for which the minimum capital report is filed, OFHEO will provide each Enterprise with a notice of proposed capital classification in accordance with section 1368 of the 1992 Act (12 U.S.C. 4618). The notice shall contain the following information—

(i) The proposed capital classification;

(ii) The proposed minimum capital requirement; and

(iii) The summary computation of the proposed minimum capital requirement.

(2) Each Enterprise shall have a period of 30 calendar days following receipt of a notice of proposed capital classification to submit a response regarding the proposed capital classification. The response period may be extended for up to 30 additional calendar days at the sole discretion of the Director. The Director may shorten the response period with the consent of the Enterprise, or without such consent if the Director determines that the condition of the Enterprise requires a shorter period.

(3) The Director shall take into consideration any response to the notice of

proposed capital classification received from the Enterprise and shall issue a notice of final capital classification for each Enterprise not later than 30 calendar days following the end of the response period in accordance with section 1368 of the 1992 Act (12 U.S.C. 4618).

**APPENDIX A TO SUBPART A OF PART 1750—MINIMUM CAPITAL COMPONENTS FOR INTEREST RATE AND FOREIGN EXCHANGE RATE CONTRACTS**

1. The minimum capital components for interest rate and foreign exchange rate contracts are computed on the basis of the credit equivalent amounts of such contracts. Credit equivalent amounts are computed for each of the following off-balance sheet interest rate and foreign exchange rate contracts:

*a. Interest Rate Contracts*

- i. Single currency interest rate swaps.
- ii. Basis swaps.
- iii. Forward rate agreements.
- iv. Interest rate options purchased (including caps, collars, and floors purchased).
- v. Any other instrument that gives rise to similar credit risks (including when-issued securities and forward deposits accepted).

*b. Foreign Exchange Rate Contracts*

- i. Cross-currency interest rate swaps.
  - ii. Forward foreign exchange rate contracts.
  - iii. Currency options purchased.
  - iv. Any other instrument that gives rise to similar credit risks.
2. Foreign exchange rate contracts with an original maturity of 14 calendar days or less and foreign exchange rate contracts traded on exchanges that require daily payment of variation margins are excluded from the minimum capital requirement computation. Over-the-counter options purchased, however, are included and treated in the same way as the other interest rate and foreign exchange rate contracts.

*3. Calculation of Credit Equivalent Amounts*

a. The minimum capital components for interest rate and foreign exchange rate contracts are computed on the basis of the credit equivalent amounts of such contracts. The credit equivalent amount of an off-balance sheet interest rate and foreign exchange rate contract that is not subject to a qualifying bilateral netting contract in accordance with this appendix A is equal to the sum of the current exposure (sometimes referred to as the replacement cost) of the contract and an estimate of the potential future credit exposure over the remaining life of the contract.

b. The current exposure is determined by the mark-to-market value of the contract. If

the mark-to-market value is positive, then the current exposure is the mark-to-market value. If the mark-to-market value is zero or negative, then the current exposure is zero. Mark-to-market values are measured in United States dollars, regardless of the currency or currencies specified in the contract, and should reflect changes in the relevant rates, as well as counterparty credit quality.

c. The potential future credit exposure of a contract, including a contract with a negative mark-to-market value, is estimated by multiplying the notional principal amount of the contract by a credit conversion factor. The effective rather than the apparent or stated notional amount must be used in this calculation. The credit conversion factors are:

Remaining maturity	Interest rate contracts (percent)	Foreign exchange rate contracts (percent)
1 year or less .....	0.0	1.0
Over 1 year .....	0.5	5.0

d. Because foreign exchange rate contracts involve an exchange of principal upon maturity, and foreign exchange rates are generally more volatile than interest rates, higher conversion factors have been established for foreign exchange rate contracts than for interest rate contracts.

e. No potential future credit exposure is calculated for single currency interest rate swaps in which payments are made based upon two floating rate indexes, so-called floating/floating or basis swaps. The credit exposure on these contracts is evaluated solely on the basis of their mark-to-market values.

*4. Avoidance of Double Counting*

In certain cases, credit exposures arising from the interest rate and foreign exchange instruments covered by this appendix A may already be reflected, in part, on the balance sheet. To avoid double counting such exposures in the assessment of capital adequacy, counterparty credit exposures arising from the types of instruments covered by this appendix A may need to be excluded from balance sheet assets in calculating the minimum capital requirement.

*5. Collateral*

a. The sufficiency of collateral for off-balance sheet items is determined by the market value of the collateral in relation to the credit equivalent amount. Collateral held against a netting contract is not recognized for minimum capital standard purposes unless it is legally available to support the single legal obligation created by the netting contract. Excess collateral held against one contract or a group of contracts for which a

recognized netting agreement exists may not be considered.

b. The only forms of collateral that are formally recognized by the minimum capital standard framework are cash on deposit; securities issued or guaranteed by the central governments of the OECD-based group of countries, United States Government agencies, or United States Government-sponsored agencies; and securities issued by multilateral lending institutions or regional development banks.

#### 6. Netting

a. For purposes of this appendix A, netting refers to the offsetting of positive and negative mark-to-market values in the determination of a current exposure to be used in the calculation of a credit equivalent amount. Any legally enforceable form of bilateral netting (that is, netting with a single counterparty) of interest rate and foreign exchange rate contracts is recognized for purposes of calculating the credit equivalent amount provided that the following criteria are met:

i. Netting must be accomplished under a written netting contract that creates a single legal obligation, covering all included individual contracts, with the effect that the Enterprise would have a claim to receive, or obligation to pay, only the net amount of the sum of the positive and negative mark-to-market values on included individual contracts in the event that a counterparty, or a counterparty to whom the contract has been validly assigned, fails to perform due to default, insolvency, liquidation, or similar circumstances.

ii. The Enterprise must obtain a written and reasoned legal opinion(s) representing that in the event of a legal challenge—including one resulting from default, insolvency, liquidation, or similar circumstances—the relevant court and administrative authorities would find the Enterprise's exposure to be such a net amount under—

A. The law of the jurisdiction in which the counterparty is chartered or the equivalent location in the case of noncorporate entities, and if a branch of the counterparty is involved, then also under the law of the jurisdiction in which the branch is located;

B. The law that governs the individual contracts covered by the netting contract; and

C. The law that governs the netting contract.

iii. The Enterprise must establish and maintain procedures to ensure that the legal characteristics of netting contracts are kept under review in the event of possible changes in relevant law.

iv. The Enterprise must maintain in its files documentation adequate to support the netting of rate contracts, including a copy of

the bilateral netting contract and necessary legal opinions.

b. A contract containing a walkaway clause is not eligible for netting for purposes of calculating the credit equivalent amount.<sup>1</sup>

c. By netting individual contracts for the purpose of calculating its credit equivalent amount, the Enterprise represents that it has met the requirements of this appendix A and all the appropriate documents are in the Enterprise's files and available for inspection by OFHEO. OFHEO may determine that an Enterprise's files are inadequate or that a netting contract, or any of its underlying individual contracts, may not be legally enforceable under any one of the bodies of law described in this appendix A. If such a determination is made, the netting contract may be disqualified from recognition for minimum capital standard purposes or underlying individual contracts may be treated as though they are not subject to the netting contract.

d. The credit equivalent amount of interest rate and foreign exchange rate contracts that are subject to a qualifying bilateral netting contract is calculated by adding the current exposure of the netting contract and the sum of the estimates of the potential future credit exposures on all individual contracts subject to the netting contract, estimated in accordance with paragraph 3 of this appendix A. Offsetting contracts in the same currency maturing on the same date will have lower potential future exposure as well as lower current exposure. Therefore, for purposes of calculating potential future credit exposure to a netting counterparty for foreign exchange rate contracts and other similar contracts in which notional principal is equivalent to cash flows, total notional principal is defined as the net receipts falling due on each value date in each currency.

e. The current exposure of the netting contract is determined by summing all positive and negative mark-to-market values of the individual contracts included in the netting contract. If the net sum of the mark-to-market values is positive, then the current exposure of the netting contract is equal to that sum. If the net sum of the mark-to-market values is zero or negative, then the current exposure of the netting contract is zero. OFHEO may determine that a netting contract qualifies for minimum capital standard

<sup>1</sup>A walkaway clause is a provision in a netting contract that permits a non-defaulting counterparty to make lower payments than it would make otherwise under the contract, or no payment at all, to a defaulter or to the estate of a defaulter, even if the defaulter or the estate of the defaulter is a net creditor under the contract.

## Federal Housing Enterprise Oversight

§ 1780.71

netting treatment even though certain individual contracts may not qualify. In such instances, the nonqualifying contracts should be treated as individual contracts that are not subject to the netting contract.

f. In the event a netting contract covers contracts that are normally excluded from the minimum capital requirement computation—for example, foreign exchange rate contracts with an original maturity of 14 calendar days or less, or instruments traded on exchanges that require daily payment of variation margin—an Enterprise may elect consistently either to include or exclude all mark-to-market values of such contracts when determining net current exposure.

### Subpart A—General Provisions

The purpose of the Community Development Financial Institutions Program is to facilitate the creation of a national network of financial institutions that is dedicated to community development.

#### § 1805.101 Summary.

Under the Community Development Financial Institutions Program, the Fund will provide financial and technical assistance to Applicants selected by the Fund in order to enhance their ability to make loans and investments and provide services. An Awardee must serve an Investment Area(s), Targeted Population(s), or both. The Fund will select Awardees to receive financial and technical assistance through a competitive application process. Each Awardee will enter into an Assistance Agreement which will require it to achieve performance goals negotiated between the Fund and the Awardee and abide by other terms and conditions pertinent to any assistance received under this part.

(a) *General requirements.* (1) An entity that meets the requirements described in paragraphs (b) through (h) of this section will be considered a CDFI and, subject to paragraph (a)(3) of this section, will be eligible to apply for assistance under this part. Criteria to establish compliance with such requirements are set forth in § 1805.701(b).

(2) An entity that proposes to become a CDFI is eligible to apply for assistance under this part if the Fund determines that such entity's application materials provide a realistic course of action to ensure that it will meet the requirements described in paragraphs

(b) through (h) of this section within two years of entering into an Assistance Agreement with the Fund or such lesser period as may be set forth in an applicable Notice of Funds Availability (NOFA). The Fund shall not, however, disburse any financial assistance to such an entity before it meets the requirements described in paragraphs (b) through (h) of this section.

(3) The Fund shall require an entity to meet any additional eligibility requirements that the Fund deems appropriate.

(4) The Fund, in its sole discretion, shall determine whether an Applicant fulfills the requirements set forth in this section and § 1805.701(b).

(b) *Primary mission.* A CDFI shall have a primary mission of promoting community development.

(c) *Target market.* A CDFI shall serve an Investment Area(s) or Targeted Population(s).

Entities seeking such certification shall provide the information described under § 1805.701(b). Certification by the Fund will verify that the entity meets the CDFI eligibility requirements. However, such a certification shall not constitute an opinion by the Fund as to the financial viability of the entity that obtains such certification or that the CDFI will be selected to receive an award from the Fund. The Fund, in its sole discretion, shall have the right to decertify a certified entity after a determination that the eligibility requirements of paragraphs (b) through (h) of § 1805.200 are no longer met.

## **Subpart E—Investment Instruments**

### **§ 1805.500 Investment instruments—general.**

The Fund's primary objective in awarding financial assistance is to enhance the stability, performance and capacity of an Awardee. The Fund will provide financial assistance to an Awardee through one or more of the investment instruments described in § 1805.501, and under such terms and conditions as described in this subpart E. The Fund may, at any time, sell its equity investments and loans, provided the Fund shall retain the authority to enforce the provisions of the Assist-

### **Subpart F—Matching Funds Requirements**

#### **§ 1805.600 Matching funds—general.**

All financial assistance awarded under this part shall be matched with funds from sources other than the Federal government. Except as provided in § 1805.602, such matching funds shall be provided on the basis of not less than one dollar for each dollar provided by the Fund. Funds that have been used to satisfy a legal requirement for obtaining funds under another Federal grant or award program cannot be used to satisfy the matching requirements described in this section. Community Development Block Grant Program and other funds provided pursuant to the Housing and Community Development Act of 1974, as amended (42 U.S.C. 5301 *et seq.*), shall be considered Federal government funds and shall not be used to meet the matching requirements. Matching funds shall be used as provided in the Assistance Agreement. Funds that are used prior to the execution of the Assistance Agreement may nevertheless qualify as matching funds provided the Fund determines in its reasonable discretion that such use promoted the purpose of the Comprehensive Business Plan that the Fund is supporting through its assistance. However, funds spent for operating expenses prior to the calendar year in which falls the deadline for receipt of applications pursuant to an applicable NOFA shall not be used to meet the matching requirements.

#### **§ 1805.601 Comparability of form and value.**

(a) Matching funds shall be at least comparable in form (e.g., equity investments, deposits, credit union shares, loans and grants) and value to financial assistance provided by the Fund (except as provided in § 1805.602). The Fund shall have the discretion to determine whether matching funds pledged are comparable in form and value to the financial assistance requested.

(b) In the case of an Awardee that raises matching funds from more than

one source, through different investment instruments, or under varying terms and conditions, the Fund may provide financial assistance in a manner that represents the combined characteristics of such instruments.

(c) An Awardee may meet all or part of its matching requirements by committing available earnings retained from its operations.

**§ 1805.602 Severe constraints waiver.**

(a) In the case of an Applicant with severe constraints on available sources of matching funds, the Fund, in its sole discretion, may permit such Applicant to comply with the matching requirements by:

(1) Reducing such requirements by up to 50 percent; or

(2) Permitting an Applicant to provide matching funds in a form to be determined at the discretion of the Fund, if such an Applicant:

(i) Has total assets of less than \$100,000;

(ii) Serves an area that is not a Metropolitan Area; and

(iii) Is not requesting more than \$25,000 in assistance.

(b) Not more than 25 percent of the total funds available for obligation under this part in any fiscal year may be matched as described in paragraph (a) of this section.

(c) An Applicant may request a “severe constraints waiver” as part of its application for assistance. An Applicant shall provide a narrative justification for its request, indicating:

(1) The cause and extent of the constraints on raising matching funds;

(2) Efforts to date, results, and projections for raising matching funds;

(3) A description of the matching funds expected to be raised; and

(4) Any additional information requested by the Fund.

(d) The Fund will grant a “severe constraints waiver” only in exceptional circumstances when it has been demonstrated, to the satisfaction of the Fund, that an Investment Area(s) or Targeted Population(s) would not be adequately served without the waiver.

**§ 1805.603 Time frame for raising match.**

Applicants may use monies that have been obtained or legally committed for up to one year prior to the publication of a NOFA, or such earlier date or period specified in the NOFA, for an applicable funding round to meet the matching requirements. An Applicant shall raise the balance of its matching requirements within the period set forth in the applicable NOFA.

**§ 1805.604 Retained earnings.**

(a) An Applicant that proposes to meet all or a portion of its matching funds requirements as set forth in this part by committing available earnings retained from its operations pursuant to §1805.601(c) shall be subject to the restrictions described in this section.

(b)(1) In the case of a for-profit Applicant, retained earnings that can be used for matching funds purposes shall consist of:

(i) The increase in retained earnings (excluding the after-tax value to an Applicant of any grants and other donated assets) that has occurred over the Applicant’s most recent fiscal year (e.g., retained earnings at the end of fiscal year 1996 less retained earnings at the end of fiscal year 1995); or

(ii) The annual average of such increases that have occurred over the Applicant’s three most recent fiscal years.

(2) Such retained earnings can be used to match a request for an equity investment. The terms and conditions of financial assistance will be determined by the Fund.

(c)(1) In the case of a non-profit Applicant (other than an Insured Credit Union), retained earnings that can be used for matching funds purposes shall consist of:

(i) The increase in an Applicant’s net assets (excluding the amount of any grants and value of other donated assets) that has occurred over the Applicant’s most recent fiscal year; or

(ii) The annual average of such increases that has occurred over the Applicant’s three most recent fiscal years.

(2) Such retained earnings can be used to match a request for a capital

grant. The terms and conditions of financial assistance will be determined by the Fund.

(4) If the option described in paragraph (d)(1)(iii) of this section is used:

(i) The Assistance Agreement shall require that:

(A) An Awardee increase its member and/or non-member shares by an amount that is at least equal to four times the amount of net capital that is committed as matching funds;

(b) *Non-Regulated CDFIs.* The Fund will, to the maximum extent practicable, ensure that Awardees that are Non-Regulated CDFIs are financially and managerially sound and maintain appropriate internal controls.

#### § 1805.901 Assistance Agreement; sanctions.

(a) Prior to providing any assistance, the Fund and an Awardee shall execute an Assistance Agreement that requires an Awardee to comply with performance goals and abide by other terms and conditions of assistance. Such performance goals may be modified at any time by mutual consent of the Fund and an Awardee or as provided in paragraph (c) of this section. If a Community Partner is part of an application that is selected for assistance, such partner must be a party to the Assistance Agreement if deemed appropriate by the Fund.

(b) An Awardee shall comply with performance goals that have been negotiated with the Fund and which are based upon the Comprehensive Business Plan submitted as part of the Awardee's application. Performance goals for Insured CDFIs shall be determined in consultation with the Appropriate Federal Banking Agency. Such goals shall be incorporated in, and enforced under, the Awardee's Assistance Agreement.

(c) The Assistance Agreement shall provide that, in the event of fraud, mismanagement, noncompliance with the Fund's regulations or noncompliance with the terms and conditions of the Assistance Agreement on the part of the Awardee (or the Community Partner, if applicable), the Fund, in its discretion, may:

(3) Revoke approval of the Awardee's application;

(4) Reduce or terminate the Awardee's assistance;

(5) Require repayment of any assistance that has been distributed to the Awardee;

(6) Bar the Awardee (and the Community Partner, if applicable) from reapplying for any assistance from the Fund; or

(7) Take any other action as permitted by the terms of the Assistance Agreement.

(d) In the case of an Insured Depository Institution, the Assistance Agreement shall provide that the provisions of the Act, this part, and the Assistance Agreement shall be enforceable under section 8 of the Federal Deposit Insurance Act by the Appropriate Federal Banking Agency and that any violation of such provisions shall be treated as a violation of the Federal Deposit Insurance Act. Nothing in this paragraph (d) precludes the Fund from directly enforcing the Assistance Agreement as provided for under the terms of the Act.

(e) The Fund shall notify the Appropriate Federal Banking Agency before imposing any sanctions on an Insured CDFI or other institution that is examined by or subject to the reporting requirements of that agency. The Fund shall not impose a sanction described in paragraph (c) of this section if the Appropriate Federal Banking Agency, in writing, not later than 30 calendar days after receiving notice from the Fund:

(1) Objects to the proposed sanction;

(2) Determines that the sanction would:

(3) Proposes a comparable alternative action; and

(4) Specifically explains:

(i) The basis for the determination under paragraph (e)(2) of this section and, if appropriate, provides documentation to support the determination; and

(ii) How the alternative action suggested pursuant to paragraph (e)(3) of this section would be as effective as the sanction proposed by the Fund in securing compliance and deterring future noncompliance.

(f) In reviewing the performance of an Awardee in which its Investment Area(s) includes an Indian Reservation or Targeted Population(s) includes an Indian Tribe, the Fund shall consult with, and seek input from, the appropriate tribal government.

(g) Prior to imposing any sanctions pursuant to this section or an Assistance Agreement, the Fund shall, to the maximum extent practicable, provide the Awardee (or the Community Partner, if applicable) with written notice of the proposed sanction and an opportunity to comment. Nothing in this section, however, shall provide an Awardee or Community Partner with the right to any formal or informal hearing or comparable proceeding not otherwise required by law.

#### **§ 1805.902 Disbursement of funds.**

Assistance provided pursuant to this part may be provided in a lump sum or over a period of time, as determined appropriate by the Fund. The Fund shall not provide any assistance (other than technical assistance) under this part until an Awardee has satisfied any conditions set forth in its Assistance Agreement and has secured firm commitments for the matching funds required for such assistance. At a minimum, a firm commitment must consist of a binding written agreement between an Awardee and the source of the matching funds that is conditioned only upon the availability of the

Fund's assistance and such other conditions as the Fund, in its sole discretion, may deem appropriate. Such agreement must provide for disbursement of the matching funds to an Awardee prior to, or simultaneously with, receipt by an Awardee of the Federal funds.

**§ 1805.903 Data collection and reporting.**

(a) *Data—general.* An Awardee (and a Community Partner, if appropriate) shall maintain such records as may be prescribed by the Fund which are necessary to:

(c) *Access to records.* An Awardee (and a Community Partner, if appropriate) must submit such financial and activity reports, records, statements, and documents at such times, in such forms, and accompanied by such reporting data, as required by the Fund or the U.S. Department of Treasury to ensure compliance with the requirements of this part and to evaluate the impact of the CDFI Program. The United States Government, including the U.S. Department of Treasury, the Comptroller General, and their duly authorized representatives, shall have full and free access to the Awardee's offices and facilities and all books, documents, records, and financial statements relating to use of Federal funds and may copy such documents as they deem appropriate. The Fund, if it deems appropriate, may prescribe access to record requirements for entities that are borrowers of, or that receive investments from, an Awardee.

(d) *Retention of records.* An Awardee shall comply with all record retention requirements as set forth in OMB Circular A-110 (as applicable).

(e) *Review.* (1) At least annually, the Fund will review the progress of an Awardee (and a Community Partner, if appropriate) in implementing its Comprehensive Business Plan and satisfying the terms and conditions of its Assistance Agreement.

(1) Invest in or otherwise support Community Development Financial Institutions;

(2) Increase lending and investment activities within Distressed Communities; or

(3) Increase the provision of certain services and assistance.

(b) Distressed Communities must meet minimum poverty and unemployment criteria. Applicants are selected to participate in the program through a competitive application process. Awards are based on increases in Qualified Activities that are carried out by the Applicant during an Assessment Period. Bank Enterprise Awards are distributed after successful completion of projected Qualified Activities. All awards shall be made subject to the availability of funding.

**§ 1806.102 Relationship to the Community Development Financial Institutions Program.**

(1) An application pending for assistance under the Community Development Financial Institutions Program (part 1805 of this chapter);

(2) Received assistance from the Community Development Financial Institutions Program within the preceding 12-month period; or

(3) Ever received assistance under the Community Development Financial Institutions Program for the same activities for which it is seeking a Bank Enterprise Award.

#### § 1806.201 Qualified Activities.

(a) *CDFI Related Activities.* An Applicant may receive a Bank Enterprise Award for making an Equity Investment or carrying out CDFI Support Activities during an Assessment Period.

(b) *Development and Service Activities.*

(1) *General.* An Applicant may receive a Bank Enterprise Award for carrying out Development and Service Activities during an Assessment Period.

(2) *Area served.* The Development and Service Activities listed in paragraphs (b)(4)(i) through (x) of this section must serve a Distressed Community. An activity is considered to serve a Distressed Community if it is:

(i) Undertaken in the Distressed Community; or

(ii) Provided to Low- and Moderate-Income Residents or enterprises integrally involved in the Distressed Community.

(3) *Priority factors.* Each Development and Service Activity is assigned a priority factor. A priority factor represents the Fund's assessment of the degree of difficulty, the extent of innovation, and the extent of benefits accruing to the Distressed Community for each type of activity.

(4) *Development and Service Activities.* Development and Service Activities are listed in this paragraph with their corresponding priority factors:

(i) Deposit liabilities in the form of savings or other demand or time accounts accepted from Residents at offices located within the Distressed Community (priority factor = 1.0);

(iii) Community Services (priority factor = 1.4);

(iv) Consumer Loans (priority factor = 1.2);

(v) Single Family Loans and related Project Investments (priority factor = 1.4);

(x) Business Loans and related Project Investments of more than \$250,000 through \$1,000,000 and Agricultural Loans and related Project Investments of more than \$250,000 through \$500,000 (priority factor = 1.7).

(c) *Limitation.* Financial assistance provided by an Applicant for which the Applicant receives benefits through the Low Income Housing Tax Credit authorized pursuant to Section 42 of the Internal Revenue Code of 1986, as amended (26 U.S.C. 42), shall not constitute an Equity Investment, Project

Investment, or other Qualified Activity, as defined in this part, for the purposes of calculating or receiving an award.

**§ 1806.202 Measuring activities.**

(a) *General.* Qualified Activities shall be measured by comparing the Qualified Activities carried out during the Baseline Period with the Qualified Activities projected to be carried out during the Assessment Period. Increases in the values of Qualified Activities between the Baseline Period and Assessment Period will be used in determining award amounts. If an Applicant is seeking assistance only for CDFI Related Activities, it should only report its activities for CDFI Related Activities categories. If an Applicant is seeking assistance only for Development and Service Activities, it should only report its activities for Development and Service Activities categories. If an Applicant is seeking assistance for both CDFI Related Activities and Development and Service Activities, it should report its activities for both types of categories. If an Applicant is unable to report its activities in the aforementioned manner, the Applicant shall provide an explanation satisfactory to the Fund as to why it cannot report required information and simultaneously submit to the Fund a certification that during the Assessment Period the Applicant did not reduce its total activity in any unreported categories. The form and content of any certification shall be determined by the Fund. The dates of the Baseline Period and Assessment Period will be published in a NOFA for each funding round.

(b) *Exception.* An Applicant may select not to report its deposit liabilities as described in § 1806.201(b)(4)(i). In such a case, an Applicant's deposit liabilities will not be considered in calculating the service score pursuant to § 1806.203(c).

(c) *Value.* The Fund will assess the value of:

(i) Equity Investments, loans, grants and deposits described in § 1806.103 at the original amount of such investments, loans, grants or deposits. Where a loan matures, is fully paid and is then renewed, the Fund will assess the

value of the principal amount of the renewed loan. Where a deposit, such as a certificate of deposit, matures and is then rolled over, the Fund will assess the value of the full amount of the rolled over deposit. However, where an existing loan is refinanced, the Fund will only assess the value of any increase in the principal amount of the refinanced loan;

(2) Deposit liabilities at the face dollar amount of monies deposited as measured by comparing the net change in the amount of applicable funds (as described in § 1806.201(b)(4)(i)) on deposit at the Applicant institution during the period described in this paragraph (c)(2). An Applicant shall measure the net changes in deposit liabilities during:

(i) The Baseline Period, by comparing the amount of applicable funds on deposit at the close of business the day before the beginning of the Baseline Period and at the close of business on the last day of the Baseline Period; and

(ii) The Assessment Period, by comparing the amount of applicable funds on deposit at the close of business the day before the beginning of the Assessment Period and at the close of business on the last day of the Assessment Period;

(3) Financial Services, Community Services, and CDFI Support Activities consisting of technical assistance based on the administrative costs of providing such services; and

(4) Project Investments at the original amount of the purchase of stock, limited partnership interest, other ownership interest, or grant.

(d) *Closed transactions.* A transaction shall be considered to have been carried out during the Baseline Period or the Assessment Period if:

(1) The documentation evidencing the transaction:

(i) Is executed on a date within the applicable Baseline Period or Assessment Period, respectively, as specified in the applicable NOFA; and

(ii) Constitutes a legally binding agreement between the Applicant and a borrower or investee which specifies the final terms and conditions of the transaction, except that any contingencies included in the final agreement must be typical of such transaction

and acceptable (both in the judgment of the Fund); and

(2) An initial disbursement of loan or investment proceeds has occurred in a manner that is consistent with customary business practices and is reasonable given the nature of the transaction, (both as determined by the Fund).

(e) *Reporting.* An Applicant shall report Qualified Activities on the basis of transactions that were:

(1) Completed during the Baseline Period; and

(2) Are expected to be completed during the Assessment Period and disbursed by the Applicant to a borrower or investee within the period described in § 1806.205(a).

#### § 1806.203 Estimated award amounts.

Award amounts will be determined at the sole discretion of the Fund and estimated as described in this section.

(a) *Equity Investments.* The estimated award amount for an Equity Investment will be equal to 15 percent (or such lower percentage as may be requested by the Applicant) of the anticipated increase in the value of such investment between the Baseline Period and Assessment Period.

(b) *CDFI Support Activities.* If an Applicant is not a CDFI, the estimated award amount for CDFI Support Activities will be equal to 11 percent of the anticipated increase in the dollar amount of such support between the Baseline Period and Assessment Period. If Applicant is a CDFI, the estimated award amount for CDFI Support Activities will be equal to 33 percent of the anticipated increase in the dollar amount of such support between the Baseline Period and Assessment Period.

(c) *Development and Service Activities.* The estimated award amount for Development and Service Activities will be calculated as follows:

(1) *Step 1.* For each type of Development and Service Activity, subtract the value in the Baseline Period from the estimated value for the Assessment Period to yield a remainder;

(2) *Step 2.* Multiply the remainder for each Development and Service Activity by the assigned priority factor to yield a weighted value for each activity;

(3) *Step 3.* Add the weighted values for deposit liabilities, Financial Services and Community Services to yield a service score;

(4) *Step 4.* Add the weighted values for all other categories of Development and Service Activities to yield a development score. If the development score is negative, an Applicant will be ineligible to receive a Bank Enterprise Award. If the development score is positive, go to Step 5;

(5) *Step 5.* If the service score is greater than the development score, reduce the service score to equal the same amount as the development score to yield an adjusted service score;

(6) *Step 6.* Add the service score (or adjusted service score if applicable) and the development score to yield a total score; and

(7) *Step 7.* If the Applicant is:

(i) A CDFI, multiply the total score by 15 percent to yield an estimated award amount; or

(ii) Not a CDFI, multiply the total score by 5 percent to yield an estimated award amount.

#### § 1806.204 Selection process.

(a) *Availability of funds.* All awards are subject to the availability of funds. If the amount of funds available during a funding round is sufficient for all estimated award amounts, an Applicant that meets all of the program requirements specified in this part shall receive an award that is calculated in the manner specified in § 1806.205. If the amount of funds available during a funding round is insufficient for all estimated award amounts, Awardees will be selected based on the process described in this section.

(b) *Priority of categories—(1) General.* The Fund will rank an Applicant's estimated award amount for Qualified Activities according to the priority categories described in this paragraph (b). All Applicants in the first priority category will be selected as Awardees before Applicants in the second priority category. Selections within each priority category will be based on the relative rankings within each such category, subject to the availability of funds.

(2) *First priority.* (i) If the amount of funds available during a funding round

## § 1806.205

is insufficient for all estimated award amounts, first priority will be given to Applicants that propose to engage in CDFI Related Activities in the following order:

(A) Equity Investments in CDFIs serving Distressed Communities;

(B) Equity Investments in CDFIs not serving Distressed Communities; and

(C) CDFI Support Activities.

(ii) *Ranking Equity Investments.* Estimated awards for Equity Investments may be ranked within each applicable priority subcategory based on the extent to which an Applicant proposes to reduce the percentage used to calculate its award amount (e.g., an Applicant that chooses to reduce its award to 13 percent will be ranked higher than an Applicant that reduces its award to 14 percent). The Applicant, however, may not reduce its award percentage below 12 percent. For Applicants that propose the same percentage, estimated awards will be ranked by the ratio of the proposed Equity Investment to the asset size of the Applicant (as reported in the Applicant's most recent Report of Condition or Thrift Financial Report) at the time of submission of an application.

(iii) *Ranking CDFI Support Activities.* Estimated awards for CDFI Support Activities may be ranked based on the ratio of the proposed CDFI Support Activity to the asset size of the Applicant (as reported in the Applicant's most recent Report of Condition or Thrift Financial Report) at the time of submission of an application.

(3) *Second priority.* (i) If the amount of funds available during a funding round is sufficient for all CDFI Related Activities but insufficient for all estimated award amounts, second priority will go to Applicants that propose to engage in Development and Service Activities.

(ii) *Ranking Development and Service Activities.* Estimated awards for Development and Service Activities may be ranked by the ratio of the total score to the asset size of the Applicant (as reported in the Applicant's most recent Report of Condition or Thrift Financial Report) at the time of the submission of an application. If the ratios of two Applicants are the same, the estimated awards will be ranked based on the de-

gree of the poverty of each Applicant's Distressed Community.

(4) *Combined awards.* If an Applicant receives an award for more than one priority category described in this section, the award amounts will be combined into a single Bank Enterprise Award.

## § 1806.205 Actual award amounts.

(a) *General.* The Fund will assess an Applicant's success in achieving the Qualified Activities projected in its application. The extent of such success will be measured based on the activities that were actually carried out during the Assessment Period and expected to be disbursed to an investee, borrower, or other recipient within three years of the end of the applicable Assessment Period. The Fund reserves the right to extend this period on a case-by-case basis where it has a high degree of confidence that disbursement will occur and the activity will promote the purposes of the Act. Subject to § 1806.204 and any recapture sanction for failure to perform pursuant to this part, the actual award amount that an Awardee will receive will be equal to the estimated award previously calculated and (if necessary) adjusted pursuant to this section.

(b) *Achievement.* If an Applicant carries out all or a portion of its projected Qualified Activities and satisfies all program requirements described in this part, its award amount will be calculated on a pro-rata basis to reflect the increase in activities actually carried out except that if:

(1) The amount of funds available is insufficient for all estimated award amounts; and

(2) An Applicant carries out less than 75 percent of its projected Qualified Activities, the Fund in its sole discretion, may limit the amount or deny an award.

(c) *Unobligated or deobligated funds.* The Fund, in its sole discretion, may use any deobligated funds or funds not obligated during a funding round:

(1) Using the calculation and selection process contained in this part:

(i) To increase an award amount of an Awardee for achievement in excess of the projected Qualified Activities; or

## Community Development Financial Institutions Fund

## § 1806.300

(ii) To select Applicants not previously selected;

(2) To make additional monies available for a subsequent funding round; or

(3) As otherwise authorized by the Act.

(d) *Limitation.* The Fund, in its sole discretion, may deny or limit the amount of an award for any reason, including if an Applicant submits an application based on unrealistic Assessment Period projections.

### § 1806.206 Applications for Bank Enterprise Awards.

(a) *Notice of Funds Availability.* An Applicant shall submit an application for a Bank Enterprise Award in accordance with this section and the applicable NOFA published by the Fund in the FEDERAL REGISTER. The NOFA will advise potential Applicants with respect to obtaining an application packet and will establish submission deadlines. The NOFA also will establish any other requirements or restrictions applicable for the funding round including any restrictions on award amounts. After receipt of an application, the Fund may request clarifying or technical information on materials submitted as part of such application.

(b) *Application contents.* Each application must contain the information required in the application packet, which includes:

(1) A copy of the Applicant's certificate of insurance issued by the Federal Deposit Insurance Corporation and a copy of the Applicant's incorporation, charter, organizing, formation, or otherwise establishing documents to be used to establish eligibility for an award;

(2) A completed Bank Enterprise Award Rating and Calculations worksheet. (If an Applicant intends to complete a merger with another institution during the Assessment Period, it shall submit a separate Baseline Period worksheet for each subject institution and one Assessment Period worksheet that represents the projected activities of the merged institutions. If such a merger is unexpectedly delayed beyond the Assessment Period, the Fund reserves the right to withhold distribution of an award until the merger has been completed.);

(3) A narrative summary of each Qualified Activity expected to be performed in the Assessment Period;

(4) The asset size of the Applicant, as reported in its most recent Report of Condition or Thrift Financial Report, to its Appropriate Federal Banking Agency;

(5) Information necessary for the Fund to complete its environmental review requirements pursuant to part 1815 of this chapter;

(6) Certifications that the Applicant will comply with all relevant provisions of this chapter and all applicable Federal, State, and local laws, ordinances, regulations, policies, guidelines, and requirements;

(7) A copy of the Applicant's most recent annual report;

(8) In the case of an Applicant proposing to engage in Development and Service Activities, a completed Distressed Community Designation worksheet and a map and narrative description of the Distressed Community;

(9) In the case of an Applicant proposing to engage in CDFI Related Activities:

(i) *Equity Investment.* An Applicant shall submit a list of potential CDFIs to which assistance may be provided, and a description of the amount, terms and conditions of any Equity Investment that may be provided.

(ii) *CDFI Support Activities.* An Applicant shall submit:

(A) A list of potential CDFIs to which assistance may be provided and a description of the amount, terms and conditions of the assistance that may be provided; and

(B) Information that indicates that each CDFI to which an Applicant proposes to provide CDFI Support Activities is integrally involved within a Distressed Community, a completed Distressed Community Designation worksheet, and a map and narrative description of the Distressed Community.

### Subpart C—Terms and Conditions of Assistance

#### § 1806.300 Award Agreement; sanctions.

(a) *General.* After the Fund selects an Awardee, the Fund and the Awardee will enter into an Award Agreement.

## § 1806.301

The Award Agreement shall provide that an Awardee shall:

(1) Carry out its Qualified Activities in accordance with applicable law, the approved application, and all other applicable requirements;

(2) Comply with such other terms and conditions (including record keeping and reporting requirements) that the Fund may establish; and

(3) Not receive any monies until the Fund has determined that the Awardee has fulfilled all applicable requirements.

(b) *Sanctions.* In the event of any fraud, misrepresentation, or non-compliance with the terms of the Award Agreement by the Awardee, the Fund may terminate, reduce, or recapture the award and pursue any other available legal remedies.

(c) *Notice.* Prior to imposing any sanctions pursuant to this section or an Award Agreement, the Fund will, to the maximum extent practicable, provide the Awardee with written notice of the proposed sanction and an opportunity to comment. Nothing in this section, however, will provide an Awardee with the right to any formal or informal hearing or comparable proceeding not otherwise required by law.

## § 1806.301 Records, reports and audits of Awardees.

At the end of an Assessment Period, each Applicant shall submit to the Fund:

(a) *Worksheet.* A Bank Enterprise Award worksheet that reports the Qualified Activities actually carried out during the Assessment Period;

(b) *Certification.* A certification that the information provided to the Fund is true and accurately reflects the Qualified Activities carried out during an Assessment Period; and

(c) *Documentation.* The Applicant shall make available the following:

(1) With respect to Equity Investments and CDFI Support Activities, the Applicant shall submit documentation that meets the conditions described in § 1806.202(d);

(2) With respect to Development and Services Activities where the original amount of the value of the activity is \$250,000 or greater, the Applicant shall

## 12 CFR Ch. XVIII (1–1–98 Edition)

submit documentation that meets the conditions described in § 1806.202(d);

(3) With respect to Development and Services Activities where the original amount of the value of the activity is less than \$250,000, the Applicant shall submit a schedule that describes the original amount, census tract served, and the dates of execution, initial disbursement, and final disbursement of the instrument; and

(4) Any other information reasonably requested by the Fund in order to document or otherwise assess the validity of information provided by the Applicant to the Fund.

## § 1806.302 Compliance with government requirements.

In carrying out its responsibilities pursuant to an Award Agreement, the Awardee shall comply with all applicable Federal, State, and local laws, regulations and ordinances, OMB Circulars, and Executive Orders.

## § 1806.303 Fraud, waste and abuse.

Any person who becomes aware of the existence or apparent existence of fraud, waste, or abuse of assistance provided under this part should report such incidences to the Office of Inspector General of the U.S. Department of the Treasury.

## § 1806.304 Books of account, records and government access.

An Awardee shall submit such financial and activity reports, records, statements, and documents at such times, in such forms, and accompanied by such supporting data, as required by the Fund and the U.S. Department of the Treasury to ensure compliance with the requirements of this part. The United States Government, including the U.S. Department of the Treasury, the Comptroller General, and its duly authorized representatives, shall have full and free access to the Awardee's offices and facilities, and all books, documents, records, and financial statements relevant to the award of the Federal funds and may copy such documents as they deem appropriate.

## § 1806.305 Retention of records.

An Awardee shall comply with all record retention requirements as set

forth in OMB Circular A-110 (as applicable). This circular may be obtained from Office of Administration, Publications Office, 725 17th Street, NW., Room 2200, New Executive Office Building, Washington, DC 20503.

### § 1815.103 Designation of responsible Fund official.

The Director of the Fund is the designated Fund official responsible for implementation and operation of the

Fund's policies and procedures on environmental quality and control.

**§ 1815.104 Specific responsibilities of the designated Fund official.**

The designated Fund official shall:

- (a) Coordinate the formulation and revision of Fund policies and procedures on matters pertaining to environmental quality and control;
- (b) Establish and maintain working relationships with relevant government agencies (including Federal, state and local) concerned with environmental matters;
- (c) Develop procedures within the Fund's planning and decisionmaking processes to ensure that environmental factors are properly considered in all proposals and decisions in accordance with this part;
- (d) Develop, monitor, and review the Fund's implementation of standards, procedures, and working relationships for protection and enhancement of environmental quality and compliance with applicable laws and regulations;
- (e) Monitor processes to ensure that the Fund's procedures regarding consideration of environmental quality are achieving their intended purposes;
- (f) Advise the officers and employees of the Fund of technical and management requirements of environmental analysis, of appropriate expertise available, and, with the assistance of the Department of the Treasury's Office of the General Counsel, of relevant legal developments;
- (g) Monitor the consideration and documentation of the environmental aspects of Fund planning and decision-making processes by appropriate officers and employees of the Fund;
- (h) Ensure that all environmental assessments and, where required, all EISs are prepared in accordance with the appropriate regulations adopted by the Council on Environmental Quality and the Fund;
- (i) Ensure that, as required, a legislative EIS is submitted with all proposed legislation;
- (j) Consolidate and transmit to appropriate parties the Fund's comments on EISs and other environmental reports prepared by other agencies;

- (k) Acquire information and prepare appropriate reports on environmental matters required of the Fund; and
- (l) Coordinate the Fund's efforts to make available to other parties information and advice on the Fund's policies for protecting and enhancing the quality of the environment.

**§ 1815.105 Major decision points.**

- (a) The possible environmental effects of an Application, including any Comprehensive Business Plan, must be considered along with technical, economic, and other factors throughout the decisionmaking process. For most Fund actions there are two distinct stages in the decisionmaking process:
  - (1) Preliminary approval stage, at which point applications are selected for funding; and
  - (2) Final approval and funding stage.
- (b) Environmental review shall be integrated into the decisionmaking process of the Fund as follows:
  - (1) During the preliminary approval stage, the designated Fund official shall determine whether the Application proposes actions which are categorically excluded, or normally require an environmental assessment or an EIS;
  - (2) If the designated Fund official determines that the Application proposes actions which normally require an environmental assessment or an EIS, the applicant shall be informed that the final approval and funding, in addition to any other conditions, is contingent upon:
    - (i) The applicant supplying to the Fund all information necessary for the Fund to perform or have performed any environmental review required by this part;
    - (ii) The applicant not using any Fund financial assistance to perform any of such proposed actions in the Application that affect the physical environment until Fund approval is received; and
    - (iii) The outcome of the environmental review required by this part;
  - (3) The Fund will perform or have performed the environmental reviews required by this part;
  - (4) A preliminary approval of an Application may be withdrawn or further conditions may be imposed based upon

the outcome of an environmental review required by this part; and

(5) If the designated Fund official determines that the Application proposes actions that require an environmental assessment or an EIS, the environmental assessment and/or EIS must be completed and circulated prior to the use of Federal funds for any activity that triggers the need for an environmental assessment and/or EIS.

**§ 1815.106 Supplemental environmental review.**

(a) The designated Fund official shall determine whether the proposed actions in the Application are sufficiently definite to perform a meaningful environmental review during the preliminary approval stage.

(b) If the designated Fund official determines that the Application is sufficiently definite to perform a meaningful environmental review during the preliminary approval stage, no conditions for supplemental environmental review shall be imposed.

(c) If the designated Fund official determines that the Application, or any part of the Application, is not sufficiently definite to complete a meaningful environmental review during the preliminary approval stage, the Fund shall require a supplemental environmental review prior to the taking of any action directly using Fund financial assistance that is not categorically excluded from environmental review or for which an environmental assessment or EIS has not been approved by the Fund. The applicant shall notify the designated Fund official when proposing any action requiring a supplemental environmental review and shall supply to the Fund all information necessary for the Fund to perform the supplemental environmental review. The Fund shall perform or have performed such a supplemental environmental review. The applicant shall not use any Fund financial assistance to perform any of the proposed actions requiring a supplemental environmental review that affect the physical environment until Fund approval for such action is received.

**§ 1815.107 Determination of review requirement.**

In deciding whether to prepare an EIS, the designated Fund official shall determine whether the proposal is one that normally:

- (a) Requires an EIS;
- (b) Requires an environmental assessment, but not necessarily an EIS; or
- (c) Does not require either an EIS or an environmental assessment (categorical exclusion).

**§ 1815.108 Actions that normally require an EIS.**

(a) If necessary, the Fund shall perform or have performed an environmental assessment to determine if an Application, or any portion of an Application, requires an EIS. However, it may be readily apparent that a proposed action in an Application will have a significant impact on the environment; in such cases, an environmental assessment is not required and the Fund shall immediately begin to prepare, or have prepared, an EIS.

(b) An EIS normally is required where an Application proposes to directly use financial assistance from the Fund for any Project that would:

(1) Remove, demolish, convert, or substantially rehabilitate 2,500 or more existing housing units, or would result in the construction or installation of 2,500 or more new housing units, or which would provide sites for 2,500 or more new housing units; or

(2) Remove, demolish, convert, or substantially rehabilitate 1,500,000 square feet or more of commercial space, or would result in the construction or installation of 1,500,000 square feet or more of new commercial space, or which would provide sites for 1,500,000 square feet or more of new commercial space.

**§ 1815.109 Preparation of an EIS.**

(a) If the Fund determines that an EIS should be prepared, it shall publish a notice of intent in the FEDERAL REGISTER in accordance with 40 CFR 1501.7 and 1508.22 of the CEQ regulations. After publishing the notice of intent, the Fund shall begin to prepare or have prepared the EIS. Procedures for preparing the EIS are set forth in 40 CFR part 1502 of the CEQ regulations.

(b) The Fund may supplement a draft or final EIS at any time. The Fund shall prepare or have prepared a supplement to either the draft or final EIS when:

(1) Substantial changes are proposed to an action contained in the draft or final EIS that are relevant to environmental concerns or there are significant new circumstances or information relevant to environmental concerns and bearing on the proposed action or its impacts; or

(2) Actions are proposed which relate or are similar to other action(s) taken or proposed and that together have a cumulatively significant impact on the environment.

**§ 1815.110 Categorical exclusion.**

The CEQ regulations provide for the categorical exclusion of actions that do not individually or cumulatively have a significant effect on the human environment (40 CFR 1508.4). Therefore, neither an environmental assessment nor an EIS is required for such actions. An action which falls into one of the categories below may still require the preparation of an EIS or environmental assessment if the designated Fund official determines it meets the criteria stated in § 1815.109 or involves extraordinary circumstances that may have a significant environmental effect. The Fund has determined the following categorical exclusions:

(a) Actions directly related to the administration or operation of the Fund (e.g. personnel actions, including, but not limited to, staff recruitment and training; purchase of goods and services for the Fund, including, but not limited to, furnishings, equipment, supplies and services; space acquisition; property management; and security);

(b) Actions directly related to and implementing proposals for which an environmental assessment or an environmental assessment and EIS have been prepared;

(c) Actions directly related to the granting or receipt of Bank Enterprise Act awards pursuant to part 1806 of this chapter;

(d) Actions directly related to training and/or technical assistance;

(e) Projects for the acquisition, disposition, rehabilitation and/or modernization of 500 existing housing units or less when all the following conditions are met:

(1) Unit density is not increased more than 20 percent;

(2) The Project does not involve changes in land use from nonresidential to residential;

(3) The estimated cost of rehabilitation is less than 75 percent of the total estimated cost of replacement after rehabilitation; and

(4) The Project does not involve the demolition of one or more buildings containing the primary use served by the project that, together, have more than 20 percent of the square footage of the Project;

(f) Projects for the construction of 200 housing units or less when all the following conditions are met:

(1) The Project does not involve changes in existing land use from non-residential to residential; and

(2) The Project does not involve the demolition of one or more buildings containing the primary use served by the project that, together, have more than 20 percent of the square footage of the Project;

(g) Projects for the acquisition, disposition, rehabilitation and/or modernization of 200,000 square feet or less of existing commercial space when all the following conditions are met:

(1) The Project does not involve changes in existing land use from residential to nonresidential;

(2) The estimated cost of rehabilitation is less than 75 percent of the total estimated cost of replacement after rehabilitation; and

(3) The Project does not involve the demolition of more than 10,000 square feet of commercial space containing the primary use served by the Project;

(h) Projects for the construction of 100,000 square feet or less of commercial space when all the following conditions are met:

(1) The Project does not involve changes in existing land use from residential to nonresidential; and

(2) The Project does not involve the demolition of more than 10,000 square feet of commercial space containing the primary use served by the Project;

(i) Projects for the acquisition of an existing structure, provided that the property to be acquired is in place and will be retained in the same use;

(j) Projects involving Fund financial assistance of \$1,000,000 or less;

(k) Actions directly related to the provision of residential tenant-based rental assistance, Consumer Loans, health care, child care, educational, cultural and/or social services;

(l) Actions involving Fund financial assistance that is used to increase the permanent capital and/or liquidity of an applicant;

(m) Actions where no use of Federal funds is involved in the activity or Project; and

(n) Actions directly related to the provision of working capital, the acquisition of machinery and equipment or the purchase of inventory, raw materials or supplies.

**§ 1815.111 Actions that require an environmental assessment.**

If a Project or action is not one that normally requires an EIS and does not qualify for categorical exclusion, the Fund shall prepare, or have prepared, an environmental assessment.

**§ 1815.112 Preparation of an environmental assessment.**

(a) The Fund shall begin the preparation of an environmental assessment as early as possible after the designated Fund official has determined that it is required. The Fund may prepare an environmental assessment at any time to assist planning and decisionmaking.

(b) An environmental assessment is a concise public document used to determine whether to prepare an EIS. An environmental assessment aids in complying with the NEPA when no EIS is necessary, and it facilitates the preparation of an EIS, if one is necessary. The environmental assessment shall contain brief discussions of the following topics:

(1) Purpose and need for the proposed action;

(2) Description of the proposed action;

(3) Alternatives considered, including the no action alternative;

(4) Environmental effects of the proposed action and alternative actions; and

(5) Listing of agencies, organizations or persons consulted.

(c) The most important or significant environmental consequences and effects on the areas listed below should be addressed in the environmental assessment. Only those areas which are specifically relevant to the particular proposal should be addressed. Those areas should be addressed in as much detail as is necessary to allow an analysis of the alternatives and the proposal. The areas to be considered are the following:

(1) Natural/ecological features (such as floodplain, wetlands, coastal zones, wildlife refuges, and endangered species);

(2) Air quality;

(3) Sound levels;

(4) Water supply, wastewater treatment and water runoff;

(5) Energy requirements and conservation;

(6) Solid waste;

(7) Transportation;

(8) Community facilities and services;

(9) Social and economic;

(10) Historic and aesthetic; and

(11) Other relevant factors.

(d) If the Fund completes an environmental assessment and determines that an EIS is not required, then the Fund shall prepare a finding of no significant impact. The finding of no significant impact shall be made available to the public by the Fund as specified in 40 CFR 1506.6 of the CEQ regulations.

**§ 1815.113 Public involvement.**

All information collected by the Fund pursuant to this part shall be available to the public consistent with the CEQ regulations. Interested persons may obtain information concerning any pending EIS or any other element of the environmental review process of the Fund by contacting the Community Development Financial Institutions Fund, Department of the Treasury, 1500 Pennsylvania Avenue N.W., room 5116, Washington, DC 20220, or such other contact entity designated by the Fund.

**§ 1815.114 Fund decisionmaking procedures.**

To ensure that at major decisionmaking points all relevant environmental concerns are considered by the Decisionmaker, the following procedures are established:

(a) An environmental document, i.e., the EIS, environmental assessment, finding of no significant impact, or notice of intent, in addition to being prepared at the earliest point in the decisionmaking process, shall accompany the relevant proposal or action through the Fund's decisionmaking process to ensure adequate consideration of environmental factors;

(b) The Decisionmaker shall consider in its decisionmaking process only those alternatives discussed in the relevant environmental documents. Also,

where an EIS has been prepared, the decisionmaker shall consider all comments received during any comment process and all alternatives described in the EIS. A written record of the consideration of alternatives during the decisionmaking process shall be maintained; and

(c) Any environmental document prepared for a proposal or action shall be made part of the record of any formal rulemaking by the Fund.

**§ 1815.115 OMB control number.**

The collection of information requirements in this part have been approved by the Office of Management and Budget and assigned OMB control number 1505-0153 (expires September 30, 1998).
